poswink | PRINTER P20

THERMAL PRINTER

ETHERNET SERIE AND USB

80mm
WIDTH

WIFI (OPTIONAL)

260 MM/S

The **Poswink P20** printer is the perfect solution for your ticket printing needs. Its simple and compact design is complemented by remarkable efficiency, offering exceptional performance in any commercial environment. With a speed of up to 260 millimeters per second, it ensures fast and consistent ticket production, while its easy paper roll loading simplifies the maintenance process.

Furthermore, its versatility is further enhanced by its triple interface, which includes USB, Serial, and LAN connections (Wifi is optional), ensuring seamless integration in a variety of settings and businesses, from hospitality to retail stores.
